

FENZI HOME HEALTH MARKETING

The Fenzi Senior Living Marketing Agency understands the senior living market place, including Independent and Assisted Living, Senior Health Services and Home Health Care.

Fenzi is a marketing agency that offers marketing strategy, brand identity, creative design and web development.

FENZI HOME HEALTH EXPERTS

Fenzi will help you to coordinate all of your marketing goals for your Home Health Care business.

Through our collaboration with your team, we work with you to accomplish your marketing requirements.

FENZI HOME HEALTH BRANDING

Effective Branding Creates Action

BRAND STRATEGY

Fenzi strategizes to develop a central brand identity that drives all marketing actions for future growth.

BRAND DESIGN

Fenzi designs your brand to distinguish you in the senior care market. We incorporate your new and /or existing brand into your company's communications and collateral.

DIGITAL & PRINT MARKETING

Fenzi believes that print and digital marketing are necessary to ensure your company's growth and to enhance your brand. Both are proven to be successful.

"Fenzi helped to grow Sequoia Living Health Services and to produce significant media segments, digital advertising and a fully comprehensive website that highlighted all of our services."

Janey Dobson, Senior Director, Sequoia Living Health Services Strategy & Business Development

THE FENZI MARKETING TEAM

Fenzi helps you attract, engage, nurture and sustain connections with your prospects and clients.

We provide you with technology driven marketing, transparent tracking and a team that you can trust to help reach your Home Health Care business goals.

Building Leads

Our services also include content writing, video and photography and strategies for how to best reach your target audience.

We understand project and business management work-flow processes. Fenzi is proud of our strong, positive agency-client relationships.
